

NSMS Hawk Talk

Notes & News from the Home of the Hawks

Jr. Skills Canada

Weekly Update: Feb 27 - March 3

ÍY, SØACÉL (hello).

This week at our Monday morning assembly we continued our tradition of acknowledging birthdays, playing Who's that Hawk and sharing some information about upcoming events at the school.

In our classes we stressed the importance of students following the NSMS expectations around smartphones and as a staff we are continuing to reflect on [Digital Literacy](#) and how it is such an important skill to have in today's technology based world. Please stay tuned for more information around this important topic.

We had a Lockdown Drill on Wednesday. Our students were extremely respectful and the RCMP were very pleased with how serious our students took the drill. We also had students compete at the Jr. Skills Canada Competition at Camosun College. Students participated in Build a Boat, Gravity Car, Spaghetti Bridge, and Wind Turbine. Well done to all our students who took part in these competitions.

The next PAC Meeting is March 14th at 7:00 in the LC.

GO HAWKS!

Jr. Skills Canada
