How the Raven Stole the Sun

Hawk Clothing is Coming

ÍY, SŁÁCEL (hello). We had the privilege of having our Indigenous Support Liaison Gina Horne and members of her family share their family welcome song with our learning community at our weekly Monday Morning Assembly. They welcomed us into the gym by singing and using their traditional hand drums. HÍSWŁE to Gina for organizing this amazing learning opportunity. We talked about Black History Month and then continued our tradition of acknowledging birthdays, playing Who's that Hawk and sharing some information about upcoming events at the school.

This week we also had Dallas Yellowfly from [3 Crows Productions](#) present the interactive story **How the Raven Stole the Sun**. His vision is to create awareness of Indigenous cultures, traditions, and values. The presentation was full of laughter and insight about the importance of animals and respect for the environment.

Our grade 8's had a visit from Parkland to discuss the course selection process. Please see our [website](#) for upcoming dates and events.

Hawk clothing can be ordered online starting next week.

Please see this [link](#) for info on the Student Learning Survey.
