NINENE-Moon of the Child

NSMS Spirit Wear is Here

Hello to everyone in our learning community and Happy New Year. TES ŁTE EŦ SISET (We have arrived to January). The First Moon of the WŚÁNEĆ calendar began in mid December and is called NINENE – MOON OF THE CHILD. The face of the young man represents youth, a new beginning, the rebirth of the animal world, and the new edible shoots. The moon's yellow hair is the returning light to the world. Many of our classes are studying the 13 moons of the WŚÁNEĆ calendar this year at NSMS. We will share each new moon with you when they arrive.

It has been wonderful to have everyone back in the building this week. The tone has been incredibly respectful and it is fantastic to see how quickly our students have returned to their school routines and engaged in their academic pursuits.

Our NSMS Spirit clothing arrived and we will be able to have the clothing distributed to everyone next week. Our cafeteria will reopen on Monday and our Intramural Dodgeball will begin on Tuesday, January 17th. Also, just a reminder that our volleyball season is underway and anyone who is interested in playing is welcome to join.
